

Humanitarian Mission

Humanitarian endeavors are a big part of Dr. Azizzadeh's commitment to society. He routinely travels with several humanitarian organizations to third-world countries providing much needed craniofacial surgery for disadvantaged children. In 2009, Dr. Azizzadeh created the Facial Paralysis & Bell's Palsy Foundation, a non-profit organization dedicated to reduce suffering from facial paralysis and bell's palsy through research, education and providing quality pro-bono reconstructive surgery.
